“ I was lucky enough to work with Fred the last 16 years.
My heart is so broken and I will always treasure all the stories and
laughter we had throughout the years.
To Theresa.
We are so sorry for your loss and we love you.
We will pray for you as you move forward without our muffin.:)
We will see him one day again and until then he will be there
watching over us.

To the rest of the family.
You will all be in our thoughts and prayers as you lay him to rest.
Thank you for sharing such a funny and sweet man with all of us.
We will all miss him so much at the warehouse and I know things
there will never be the same.
Just so grateful for the years we had with him.
Love you Fred
