“ Well its been over 6 years since ive last spoke to you or even seen you. I was your great granddaughter and you spoiled me at times. But towards the end you hated me because of my mother. I'm sorry for everything Lisa did to ruin your life. But honestly you shouldnt of took it out on me and my siblings. I really wanted a relationship with you. I really do miss you and im so sorry i missed out on your funereal.

*Fly High Grandma  
Love your great granddaughter,

“ She was a very thoughtful lady. Always sending little gifts for the girls to let them know she thought of them. They will miss the bags of stickers! I will miss asking if someone brought her "to go" dishes to family gatherings :-)

“ I didn't know her a lot but when I saw her she lit up every room she walked into. She had an aura of kindness. I remember she gave Trenton a big box to play in and Trent loved it. Love you Kailyn Aden
