“ I have been truly blessed to have had the chance to know Gerald and his entire family which is and will forever be a part of mine and Sharon from the Morlock/Mertle/Thomas/Meyer/Criste family gatherings and camping reunions. From the first time I met him, until the last time, he has always been full of laughter and joy which was so infectious that it would brighten up your day with the many smiles and laughs he gave you from the relentless amount jokes and quick witted humor in his repertoire. I Loved this man!

Kenny & Sharon, Thank you from the bottom of our hearts for all you have done for my Dad over the years, for treating him with love at the end of his life on earth, and for easing our family's hearts and minds during this difficult time. I know Dad would be at peace knowing you have cared so for him. We love that you are family and appreciate your service on behalf of our entire family.

Thank you so much Kenny and Sharon. Thanks for being a big part of the services. Gerald did enjoy getting together with you. I second Connie's comments. Had quite a few comments that it was such a nice service and I sure agree. Knowing you were part of the family made it so much easier for our family. Thanks for all you did.
