“ Alfa again, it's been years now... I miss you so much Gift. You were a light in this dark world. I can hear your laugh still.

“ Gift was a close friend. One time in high school I remember we had a deep conversation about the meaning of life and God. I hope there is an afterlife and that she is in heaven. She was a wonderful friend that always put a smile on my face. Another time we went to a new restaurant together and she told me how much she loved exploring new foods and cultures. I wish we talked more often, but I believe the best way to live life is to live it like Gift would. Full of livelihood, laughter, exploration, and fun. Thank you for the great friendship and memories my friend. I miss you and think of you all of the time.
