“ *Ms Harriett is what I used to call this beauty. I met Harriett on my wedding day in Cleveland Ohio. I worked with Harriett years before this. As the years went by we became friends. She called every federal holiday to ask about me and my children. She would always tell me to stay safe, stay blessed and stay encouraged. Always can hear her smile on the phone. I will miss those calls. July holiday weekend seemed but a day ago and when September rolled around and then October we knew something was just not right and missing at it was Ms. Harriett's call. Condolences to the family and one day we will see her again in a new world, new body and forever safe, blessed and encouraged* □
