“ Jeff, Mike and family,
So sorry to hear of your Mother's passing. I enjoyed our years working together back when you guys and my Son were at Blackhurst School in the Boy Scouts. She was a joy to work with. Please know you are in my thoughts and prayers.' God Bless.

“ Aunt Helen you will be missed. Thank you for all you did tracing our family tree. I always enjoyed comparing notes and you helped to get started doing my Morlock tree. My thoughts and prayers are with the family.

“ We had a wonderful cruise to the Panama Canal and several trips to Florida. She was one of the first people I met when JD took me to Lost Valley and we instantly bonded, and became good friends. We always had a good time when we were together. I have never seen her or Tom either one in a bad mood, or not happy to see you. They were the best and you should be very proud to have had them as parents and grandparents. my prayers and feelings are with all of you. Janie Butner
