“ *When I meet Mrs. Smith she always had a smile when she said hello to me even with her Alzheimer's before it was getting the best of your small little body she always had a smile when we saw each other. God came down and took another angel home so her body can rest after she fight it so long. Prays are going to the rest of the Smith Family who is left here on this earth . Since God took Mrs. Smith home is no more need pray God has her with him. RIP Mrs. Smith with Mr. Smith Amen*

“ Mom,  
We will miss you more than we can ever say in words, but I know you are at peace and enjoying every moment with Dad and your mother, father, sisters and brothers. I also know your not suffering and have " ALL " the memories back that you once enjoyed before the alzheimers affected you so badly. We will also enjoy all the memories that you have bestowed among the entire family. We could not have asked for a better Mother and the teachings that you gave us growing up.I just hope and pray that I can pass the same great memories onto my children and grandchildren.  
Rest in peace !

Love  
Gene
