“ *Someone once said, “The purpose of human life is to serve, and to show compassion and the will to help others”. This describes Howard as I knew him; I grew-up with Howard lived across the street from him and his wonderful family. All my life I’ve known Howard to be a great person who didn’t let any obstacle get in his way from becoming successful in life; wishing you peace and comfort.*

“ *So sorry to hear of your great loss! I worked in the illustration dept. but under a different supervisor so only saw Howard briefly, but he was always smiling and a pleasure having him as a teammate! I am in Florida so won't be able to give you my condolences in person, but wanted you to know I am praying for you and hope you will feel God's peace and comfort at this time.*
