“ Our joy goes out to the Jones family! God blessed you with such an amazing mother,grandmother, great-grandmother, great great-grandmother, and on and on. We can only imagine the party that is going on in heaven with Mr. and Mrs. Jones. Can't you see the food, with cakes and pies lined up as far as you can see! HALLELUJAH!

“ I remember when visiting from college out of state and aunt Irene always greeted us with a smile. My fondest memory was on uncle bubbles and aunt Irene milestone wedding anniversary. The family celebrated many laughs. I will always remember aunt Irene's smile and laughter that she shared with others and her children my cousins got infected with joyful smiles. I'm grateful and thankful for my family their support when I was in college. I cannot speak only of my aunt because uncle bubbles was right there with her. I like to think they are reunited now and want the family to continue enjoying and having peaceful countenance.

Love Dominique Gibson and Tanya Parker,
