“ *It's been two years.😭😭2years since I left a comment on this page. Janee was my bestfriend. We relied on each other when we were down in the dumps. When she passed, I refused to believe she was gone. I felt like a failure. I should've been there to help, I thought. We miss and love you so much.😭😭R.I.P Janee

“ It's been well over a year since I've seen her. Draea was the first person to talk to me in kindergarten and I can't believe she's gone. When I first heard about it I didn't want to believe it because She was such a sweet girl filled with joy. Sometimes I think about her at night when I'm in bed and I start crying because I haven't talked to her since 6th grade and I cry over the fact I lost my very first friend so soon. I love you and I will never forget you. I send prayers out to her family.

“ *Who was she to be brilliant?*

*With that beautiful chocolate skin, those beautiful eyes and that beautiful beautiful hair.*

*Did she realize the beauty we saw in her? It was Drea that was Brilliant! We could see her greatness, she had so much potential. When she was little she ignited a light in her Dad. Andre was so excited to organize science projects and cooking lessons with Drea. She was so quiet so sweet, just a precious little life. We will miss Drea. Our love for Drea will be with us. I thank Jesus for the time we spent with Drea.*

“ Draea always entered my class with a big smile. She was such a joy to teach! Then three years later I got to teach her little sister, Krista, who had that same smile. Draea will be greatly missed. Krista, when you come back to school, feel free to come see me at any time, if you need to talk or if you need a place to just hang out for a bit. Prayers go out to Mr. and Mrs. Welch and Krista.

“ My heart goes out to your entire family. As a parent I can only begin to imagine your agonizing sorrow and pain. A very special wish for Krista: remember there are so many people around you that are here for you at any time now or in the future, so turn to anyone you want for a hug, words of comfort, or just ears to listen.  
You are in my thoughts and my heart!

“ I am going to miss Janee Aundraea the rest of my life, I never knew how deep my love was until I felt how deep my pain is. She will always have a place in my heart. She touched so many lives in 14 years, she is one of the most successful people I know, if I measure success by God's standards. I am going to miss her smile, sense of humor, her telling me she loves me, hugging her and so much more. Rest in peace my love, until we meet again. I will always love you.

“ I didn't know Janee personally, but my daughter did. Despite the awkwardness my daughter has around same aged peers, Janee befriended her. I am so grateful this very sweet girl made my daughter feel liked and cared for in this age of bullies. I'm sorry for the loss of this angel, though she now is a true angel.

“ No words can express the heartache I feel for your family. She was a sweet girl with such a bright smile. I remember you brought her home just a couple months after we had moved into the neighborhood in 1999. I have been heartbroken since hearing the news especially having just lost my husband to a similar way just 15 months ago. There really aren't words to help comfort but please know that you are in our prayers. If Krista needs to talk Sean is in her class and he is available to talk anytime she needs him.
