“ Dear Grandma Jean,

Where do I begin? Let me start by giving God thanks and praise for sending us a grandmother who taught us what unconditional love looks and feels like. We created so many memories together. I can remember when you took me shopping for my Junior Ring Dance, Homecoming, and Prom. This is one of many examples of how involved you were in my life. It also speaks to you being both grandma and mom to me. I can still see the look on your face when we would find the "perfect dress." I can still hear your infectious laugh, especially when you would laugh until you cried. I will forever be grateful that God saw fit to bless our family with an angel like you. I will see you one day on the other side. Hopefully, there's a Red Lobster up there. Love you, girlfriend!

“ *"Grandma Jean " patience, generosity, woman of god, empathy, unconditional love your willingness to listen to me ,while being un judgemental. Always being there for me opening your heart and home to me and my children being that role model Instilling those values of what it means to be a Mother. I will miss our conversations ,our shopping trips to some of our favorite stores (u know what those are) smile....all day looking and shopping and then going out to eat afterwards are just one of the fond memories that you have given me that I will hold forever. 🙏❤️ # "When someone you love becomes a memory the memory becomes a treasure." Love u grandma Jean.*
