I remember when Jeannie was the Business Continuity Manager in Raleigh. She never farther in her belief of educating the USPS management the importance of preparation should a disaster occur that would interrupt the processing of the mail. Many times she fought on deafening ears but she kept at it.. Jeannie was my last USPS Manager that I had the pleasure of working for before I retired. It was a pleasure working for her and learning so much. May Jeannie rest in peace with God. she left us too soon.

I will miss Jeannie greatly. I always considered her to be not only a great manager while working for her at USPS but also a dear friend. I was most fortunate to have known her and to have had her in my life.

Jeannie was one of the most principled and disciplined persons I have ever known in all aspects of her life. Jeannie valued people and always stood up for what was right and fought against what was wrong. She was a tireless worker.

I am sure that when she met the Lord on March 26, 2021, am certain that Jesus said to her, "Well done my good and faithful servant". I also believe that the Lord Has already put Jeannie to work in HIS kingdom.

We will miss you good friend but our hope is to be with you one day in eternity.

“ *My deepest condolences to the family. Jeannie was a great friend and mentor. I admired her perseverance throughout our Postal career. When she was given lemons, she made lemonade. I learned so much from her and she was always just a phone call away when I needed her. She would say 'never let them see you sweat'. She made a lot of us better. Jeannie will be greatly missed. RIP*❤️

“ *Jeannie was our boss for a large portion of our Postal career in Raleigh NC! She was a tough boss, but most of all a great mentor. She was patient and took whatever time was needed to explain situations to you and the whys behind them if there were any. We learned so much from Jeannie and are better people because of her!*

Our condolences to all of her family! May Jeannie rest in peace!

“ Jeannie Thomas was thoughtful and supportive human being who took her time to guide and develop others. She was a wise woman who explained the nuances of our work and the agendas afoot. It seemed that everyone who worked for came away a better person. And that's a rare ability. I hope my words offer some comfort to her family. Please know she was admired, respected and loved.”

I met Jeannie years ago at the St Louis PDC. She was already a manager when met. I told her that I wanted an opportunity to work in her department in an upward mobility position. She agreed. Jeannie allowed me to learn so much during my time in her department. She was the nicest manager that I've ever none. Such a lovely lady. Always smiling when I saw her. My sincere condolences to her family. May she rest in eternal peace. 🙏
