“ Jesse was a big kid! Loved hanging out with him and Tony Declue! I learned some great terms for people from Jesse while playing video games...one of my favorites were his term for Tony "Wuss". If you were around Jesse for very long you'd see he was a funny son of a gun! The guy worked hard all his life and enjoyed playing just as much. RIP Jesse! Rosetta and Mark will be happy to se you at last.

“ My sweet sweet daddy. I love and miss you so so much. I know you're with mom now and I'm sure a rejoicing it was indeed. I'm going to miss my "side kick" like crazy. God is good as you know and He will see me through. In closing we always said "love you bunches!" So my final goodbye here on earth is "Love you bunches daddy!"
