“ One of the greatest men ever to walk the earth. Funny, loving, loved fishing, sports, bbqing and all things family. Wouldn't miss a family gathering for anything in the world. Took on a very difficult task of being a stepfather to 4 very small children, ages 3,4,5 and 6. Most men would run but he did it with ease, patience and love. He loved us with the same love that he loved our mother. Nothing less. We had his physical presents for 32 years and now we have him in our hearts forever. Never gone and Never forgotten. He will always live through the music and his show the PJs that he loved so much. I will forever smile from ear to ear when I think of him.
