“ Jim attended his Brothers of Bravo Vietnam veterans reunion faithfully every year. He always stuck around to help us pack everything away and load it in the vehicle. He was looking forward to our reunion next July. We will really miss him but he will always be remembered as a brave soldier and great friend.

“ I lived down the street, and later next door, to the Stroker family for my whole childhood, and envied them for having so many siblings. Jim was part of a loving family who looked out for each other and welcomed this neighbor as "just another kid." My love and condolences to Jim's wife and children and grands; he was a good guy and will be missed by many. Lynda (Brueseke) Harman
