“ *My Uncle John, He and all his brothers were close. They were together all the time. I heard great stories and adventures. My Uncle John and My Dad Eathel continued to to be together. Church and family fuctions. I remember how loud they talked and laughed.*

I remembered how my uncle taught me when you are driving make sure you wait for the cars to go by to keep for having a crash. We would talk all the time and he sent hand written letters full of God's Word, encouragement, advice, poems, and love.

He loved God and his family and lived for God as a Christian. He was a great Deacon at his church. He always stress to me and all his family members that we should keep in touch.

Uncle John had A lot of family members numbers and addresses and would send them to you and say, Make sure you call and keep up with your family. Because he did that I know more of my cousins. I am so happy for that. I am happy he often said he loved me and was proud of me. I am happy he loved my Dad Rather and all his brothers and sisters and entire family.

*I love you Uncle John will miss ou r talks but will see you again.
Thanks for the words you left me with I love you.*
