

## John Dwight Bronson

November 2, 1978 - May 20, 2020

John Dwight Bronson, Age 41 of Vallejo, CA., was born on November 2nd, 1978 to the union of John Lee Bronson and Sonya Alveda Bronson. John was born prematurely and stayed in the hospital for some time before being able to go home. Upon his arrival home, all who saw him and met him fell in love with him.

John grew up in Normandy with a loving family of his mother, father and brothers, Pierre A. Morris and Terron J. Morris. John was given a nickname of “Dahliwah” by his older brother Pierre, because he looked like a baby’s doll. That name was eventually shortened to just “Dah”. As He grew, his nickname became “John-John” by all.

To know John was to know joy. His smile was his trademark. John had a pure heart and he was very loving to his family and friends. He was always a listening ear to everyone who needed it and gave his time and effort to help anyone who asked for it. He was purely a giving soul. John had a special relationship and bond with his mother and stayed attached to her hip.

John was educated as a child in St Louis, Mo and graduated high school. John moved to California shortly after graduation to live with his Aunt Ina Fern, his mother’s sister. John grew and prospered for the next 20 plus years by both furthering his education and taking employment with the Safeway

Corporation. He worked there for 17 years until his passing on May 20th, 2020.

As with everyone else, he developed meaningful and lasting relationships with just about everyone, at Safeway he truly had a second family. John-John was preceded in death by his mother, Sonya, his grandparents, Herman and Nelly Dennis, 11 aunts and uncles and one brother.

He will be deeply missed by all who knew him.

“ I worked at Safeway with John for about 7 years and we became close and good friends. He always greeted everyone with a big smile and was respectful to everyone. He was a hard worker and always did his best. John and I even would exchange Christmas gifts and he affectionately would call me Uncle. We lost John too soon. I will miss him very much, but I have great memories of our friendship. My love and condolences to his family.
