“ *Uncle John was a amazing man. Watching and listening to him was a gift from above. The guidance that he provided was priceless. The love that he showed, gave me was truly a blessing. Thank you so much for being there for me. I will always Love you. I MISS YOU.*

“ *Papa and I sat out side one spring morning and he told me his life story. He was so funny, he told me how he got the knot on his head and how he met Granny. What an amazing life.*

“ *As a child, my Uncle John stood in place as a father figure to me and my siblings. He taught my brothers about manhood, teaching them to be upstanding men, leading by example. He and my Aunt Carrie taught us girls to be ladies at all times. They both were great pillars of the community, always leading by example. They are holding hands once again smiling because they are together again. LOVE AND MISS THEM BOTH, but glad they are one again.*

“ I remember one night when I was young my mom needed some asprin for a headache, it was around 2:00Am. She asked my dad, while he was lying asleep, "Rig do you know where the asprins are?", it was so funny when my daddy replied, "last time I seen them, they went across the railroad track!" My mom & I laughed so hard! From then on, from time to time we would mention his statement given while he was asleep and laugh so hard! This wad funny to us for years and years. I still remember it till this day. My dad kept us laughing, and full of joy!!! I love him always and my mom. RIP my beautiful parents God blessed me to have! Always and forever , your daughter , Vickie ❤️❤️❤️
