*We pray that our Heavenly Father may assuage the anguish of your bereavement and we send you our deepest sympathy in your hour of trial and pray that in Almighty God you will find the comfort and help that only He can bring.*

*My mine knows that you are in a better place, Where there is no pain,, you are at peace. I understand that, I just wish could explain it to my heart. There is a empty space in it that nothing will ever fill. I grieve, but I know my tears are for me. We will all be together again, Until then, My love will always be with you.*
