“ Jordy I was thinking today of how you loved hot chocolate and drank it every single day. You would be drinking it today even in 100 degree weather - of course with the mini marshmallows and cinnamon toast.

“ My sweet, sweet Jordie- you were ALWAYS so kind, giving and selfless. You loved cleaning! Just like me! You were always doing something for someone! You helped each of us at a time we needed it. And you never took advantage of anyone- you were giving! That was YOU!! I miss you dearly💙

“ My sweet Jordy Kyle .... where do I even start? You always had a smile and a sense of humor that lit up a room. You ALWAYS called me at midnight on the dot exactly for every single holiday, Mother's Day and my birthday. You were the big brother and son everyone can only dream of having. I miss you so much baby and I am trying to stay strong for your brothers and sister. I have been opening all my curtains every single morning as you did always. I don't know how to live in a world without you in it.

“ Jordan was always smiling and laughing such a great guy. I'll never forget the time he high five Richard and my Rottweiler Rocky bit him in the butt and he laid there cracking up.  
My heart is definitely broken  
Love you Jordan

“ I remember one time on April fools day when I was over, we ordered pizza and Jordan decided to prank to pizza man. Opening the door from behind, he scared the man so bad and we were all laughing so hard. I'll never forget that day. □

“ I remember when we loved watching wrestling so much as kids that we wanted to be tag team champions. This aspiration was accompanied by lots of acrobatic flips off of mom's couches lol. Hence the origin of our mantra forever, M2J. I love you big brother. 💙 -Matty
