“ What a blessing Josie was to anyone who was fortunate to cross paths with her. She had such a pleasant and sincere spirit and always offered a laugh, a hug, a smile, or the kindest words of encouragement. You all are in my thoughts tremendously. I pray God gives her family and dear friends some sense of peace today and in the coming weeks, months, and years. <3

“ Shelly and Stacey, please accept my deepest and heartfelt sympathies on the loss of your beautiful mother. I just don't have the words to express how much your mother's friendship meant to me, not only as a co-worker but she was always a friend first. She personified the meaning of "Diversity" and the " Value" of people in her walk of life. May God ever comfort, sustain and hold you up during this time.
