“ It’s Crazy how Social media can connect you with people from all walks of life. You were my big brother in the Navy my first year when i was a 18 year old boy becoming a man. We had a blast together in Diego Garcia, thank you for the memories 30 years later! My condolences to the family!

“ Words can't express how much I'm going to miss you. The talks, text, video gaming, you listening to me vent, laughing at one another, and just you being a shoulder for me to lean on. You was and always be that mentor to me and I will carry you forever in my heart.
