“ *My Cousin Joyce Finch was a big part of my childhood. She's that big Cousin that the younger family members tried to imitate. She wore the coolest clothes, listened to the hip music, tried to teach us how to dance and she had such a great sense of humor that she kept us laughing. Also she was so beautiful. Beautiful inside and out. After I became an adult she became a very important person in my daughters life. Monet would look forward to the events that Joyce planned with her. I'm forever grateful Cousin. You will be missed.*

“ *Joyce and I worked together for the past 30+ years until she retired. We sat back to back in the "cubicle of excellence". She was such a joy to work with. Her laughter and giggles would always get me laughing. She was quite the practical joker. We shared a lot of fun times and our lunch dates were always a blessing.*

“Joyce you will truly be missed, but never forgotten. Take your rest. Aunt Verna, Harold, and Ashlen just a phone call away. I will lift up my eyes to the hills—
From whence comes my help? My help comes from the Lord,
Who made heaven and earth.

“I can remember Joyce and I walking home from kindergarten together like it was yesterday. People would always tell her how pretty she was and how lovely her hair looked! Joyce and I always remembered each other's birthday because mine is April 26 and her's May 26. As we grew up, she would call me pretending I had won a contest for something and I did the same to her! Of course we always recognized the other's voice! And we laughed! I have sooooo many Great memories of my Friend I could go on and on!
To Her Family, Joyce will truly be missed! Charlice Fort

“ My heart is so heavy, and my eyes filled with tears everytime I think of not having my "GIRLFRIEND" anymore. To Harold, Ashlen, Cindy, Chris and Verna Mae, I pray that the Lord will lift you, comfort and strengthen you in your times of sorrow. Joyce and I worked together for 30+ yrs and she was truly an amazing friend, that took me into her family and made it mine. It is because of you, my Jaycee, that I became "Cousin Shay" to the Whitener family, and for that I will be forever grateful. She always made our birthdays a special event with funny gifts, lunches and laughter. Our birthday club will never be the same without our CEO! Thank you for the GOOD TIMES WE SHARED!

Rest in peace "GIRLFRIEND"
