

## Justin Michael Beger

February 27, 1996 - May 1, 2021

Justin Michael Beger, 25, of St. Louis County, Missouri. Dear and Beloved son of Michael W. (Donna) Beger and Leisa C. (John) Morlock died unexpectedly on May 1st, 2021 from injuries sustained in a motorcycle accident. His loss was completely unexpected and the family is shocked and deeply saddened.

Justin attended Lindbergh High School and was passionate about playing hockey, riding motorcycles and spending time with family and friends. After graduating high school, Justin pursued full time employment with Inventory Sales Company and recently joined Holt Electrical Supply.

Justin enjoyed filming bike rallies and events and was currently producing his own YouTube channel, which featured his motorcycle rides. He also loved working on cars and motorcycles and camping with family.

Anyone who knew Justin, knew that he was incredibly kindhearted, always had a smile on his face, and put others ahead of himself. Justin preferred hugs over hand- shakes, loved deeply, and fought fiercely. He had an immense passion for his work and was always a source of positivity. Justin's family and friends will miss him more than words can say.

Justin was survived by Stepbrothers Zachary Hasenfratz and Jeremy Morlock, Grandparents Robert and Dolores Beger.

Preceded in death by his Grandparents Mill and Lanora Luedde, Archie and Pat Morlock, and Great Grandparents Wayne and Ada Shelnutt.

“ *I went to Sappington Elementary School with Justin. I have so many fond memories of him. Truly a sweet and kind soul taken too soon.*

*When we were in fifth grade and playing on the inflatables, I was the last to make it onto the inflatable, but it was going to collapse before I could get out. Justin reached out his hand to help me. I'll never forget him for that act of kindness. Thank you for all you've done, Justin.*

*May you always rest in peace with the angels. We will never forget you.*

“ *Justin started in with our company on April 5 and instantly became part of our 'family'. His nonstop smile, positive attitude, willingness to take on anything that was asked of him endeared him to all of us immediately. This is something we know he learned from his family, and you should be very proud of that. What a loss we all felt when we heard this news, not just because he came to work every day ready to take on anything that was asked of him and more, but more importantly because he was such a great person to be working alongside every day. He wasn't even here a month, but we all felt like he had been here already a long, long time. He was a part of us. Please know that all of us at All Trades Supply miss him and are so very sorry for your loss.*

“ Mike, You and your family are in our thoughts and prayers. I've heard so many wonderful stories about Justin from you over the years including hockey memories and all the wonderful things he was doing. He's had such a positive impact on so many and will be missed so very much. We are so sorry for your loss.

“ With a heavy heart it is with great sadness that I am writing this. But I also have a great amount of joy of being able to have had Justin as a nephew. From the first time we met and until the last time I seen him, he always had a twinkle in his eye and a smile on his face. He was always respectful and humble around me and my girls. We enjoyed watching him play hockey and his goal tending abilities were outstanding when we attended his games. He shared his computer and console games with my girls and never complained... (I would've). On camping trips he was always helpful and brought a gentle joy when he was with us and his entire family. Our last outing was on Mark Twain Lake and we all just were floating in the water and on the boats.. just a chillin. He looked so happy. He grew into a great young man and had a passion for riding. We always had fun at the farm sitting around the fire and he always had a ear to lean on with us.

When we would leave each other's presence, I always hugged him really hard and patted his back like I was burping a baby and told him, "I Love You" and he would say it back! - Always!

There are those electric moments in life, where love knows no limits. One of those moments is when someone you love smiles at you - and we all know there are a hundred ways to smile. Some are small, where only one corner of the mouth may be turned up.. just a little bit: "a secret smile." Others are wide and open. And, still others involve only the eyes, which sparkle and shine.. Justin had both.. and he will be deeply missed.

- Uncle Kenny.

*Absolutely well said - I am his adopted 'Aunt Lucy' and he ALWAYS was the same with the hugs, smiles and love you. Beegs, beger, Justin - you ARE missed. My heart aches for his side of the family and also for his roommates side - Tommy Loeffelman - my heart hurts for those he left behind. May his soul rest in peace and God embrace us all.*
