“ *Sis. Verret was a very loving, giving, caring & selfless child of God. Bro & Sis Verret travelled a lot..where ever God lead them. Many times not having a place to call home, except with many children of God. I was blessed to know them both, you couldn't find two more dedicted people, always giving their all. I am a better person today because of the time my late husband, Charles & I got to spend with them. Now I feel we can all be at peace knowing , she is with her wonderful husband. Both worshiping and praising the one, Jesus, they spend their life working for during their time on earth. We will miss you Sis Verret here on earth, but your faithfulness and love for your Lord has left an impact on those who have to remain here. Untill our appointed time or if God comes to gather His people, you WILL remain in our hearts and wonderful memories! Rest in peace our, Sister in Christ and know you will be missed! Love you, until we meet again in worship and praising our Lord and Saviour, Jesus.*
