“ Words cannot express the gratitude and love our family feels towards Kennie Hinton. When our first child was born prematurely and had to remain in the hospital for several days, Kennie’s words of encouragement and compassion gave us comfort and reassurance. We can’t remember having to buy clothes for our girls too often because Kennie was always giving us boxes of hand-me-downs that were beautiful. When our third daughter developed spinal meningitis, Kennie asked our church family to provide meals and babysitting so we could be at the hospital. She and Chuck also taught us everything we needed to know about camping!! She truly was a saint on earth and now she is with all of the saints in heaven. Our prayers for comfort and peace are with her family.
