“ Susie and family. I was so sorry to hear about Kenny I sat here and remember all the crazy things Kenny and you Susie stood up for me and Bob (my first Husband) when we got married. We went out and had pizza afterwards Susie we bowled together. Even though we didn't see you and Kenny or even hear from you all the time you were friends of my heart I used to see Kenny years ago working in the creek in front of my house. Susie I am thinking of you in this time of sorrow Love to you and your family I feel Kenny is in a better place and feeling like his old self. Gayle Moore
