“ My deepest sympathy goes out to all of Laura’s family. Laura and I met each other working as houseparents at CID. I loved her from the start! She was a true sweetheart! I will cherish those memories along with the ones from being in each others weddings.
God’s Peace to everyone,

“ I am so sorry! My husband, my kids and I all knew Laurie very well because we went to church where her dad preached for many years. We became close friends with her parents and would see her from time to time at their house as an adult too. Laurie never stopped amazing me with everything that she did in her life. She loved everyone too. Angel on Earth!
