“ I had the pleasure of boarding my Arabian at Bridgeton stables during the floods in the 90's. The moving of the horses, the sandbagging and getting my boat out and taking Larry & Carol to the house and barn to see how it was. Then the cleanups. He always had a smile and sold me a couple more horses. He got me into showing horses by introducing me to Horse Palace. Thanks to Larry I went on to winning the world championship in western pleasure. Larry and Carol made people feel at home and that will always be remembered. He will be missed. Thanks Larry and Carol for all the great times at the barn. Cyndi Hartman

“ Larry never let me forget how he traded me an awesome horse (Cocoa) for a purple saddle. I didn't have the pleasure of meeting him until 6 years ago, but I will always remember the way he would light up when I took him sugar-free lemon pies to make up for the purple saddle. Rest in Peace!

“ I will miss your calls, I will miss your front porch chats, and I will miss your great humor. I will remember all the fun times I had at the stable, and all your horse advice. You were a kind hearted, giving soul. I was honored to have you as a friend. May you rest in peace, knowing you were loved.  
Your friend forever, Joanie

“ I heard MANY stories of this "Larry Schob" before I met him. :-) I learned from knowing him is that You could always count on Larry to come by with a big smile and joking around. . . A guy with such a big heart . . he always wanted to have fun and wanted everyone to be happy. I had such fun times at his stable. . . I regret not knowing them in the "hay-day" of Bridgeton stables. May the good times had with him live on in your hearts, may the memories of this nice man make you smile. . .may you be kind and light hearted, and carry on his legacy. He will never be forgotten.

“ I met this man when I was 11 years old. I've always had a passion for horses and he let me work at his stables for almost 2 years. I worked for him and let me ride his horses as much as I wanted. I met my horse mr.m at his stables and I will forever be grateful for Larry allowing me to follow my dreams. Rest in peace

“ I remember and cherish the family get-togethers we had at Cousin Larry's house. I remember the pig he roasted one year. My mom, LaVerne, always loved going to Larry's. We got so lost the first time I drove her to his house. But we made it and had a great time. I always did. I sure will miss Larry. Such a wonderful, giving guy. Great smile and laugh. My deepest sympathy goes out to his family and loved ones.
