“ We will always remember Pastor Stewart for bringing us to the Lord. Had it not been for him, my walk with Christ might have been different. We will also remember the laughs and life teachings he passed along. The Stewart family is our second family and will always hold a special place in our hearts. Rest in heaven Pastor Stewart 🙏. We will take care of Sis Stewart and we will miss you ❤️

“ *Elder Leon Stewart was a man who clearly heard the voice of the Lord. When I came to the church there were some specific things I asked God. At that time he called one around the alter. I was all the way in the back of the church and called me to the front and asked what did I want from the Lord. That day I received the Holy Ghost. Well done, thy good and faithful servant.
