“ Granny was the funniest, realest, smartest and most loved woman I've ever known. All of my friends loved her immediately. They always asked about her. We used to love going on the boat and to bingo. As you may know, she went to bingo everyday Sunday for decades until she couldn't. She took care of Gregory and many other children in the family. She feed many and gave shelter to alot. Her meals, her laugh and her smile are etched in my memory forever. I could never thank her enough for giving me a place to stay, babysitting and getting me out of some tough spots. She was one of a kind. She will be sorely missed but never forgotten. Rest in heaven Granny. Love you and miss you.
