

Lillie M. Dash

March 10, 1945 - March 25, 2024

In the quiet town of Elloree, South Carolina, a light began to shine on March 10, 1945. Lillie Mae Dash, born to Maggie Dash, embarked on a journey that would touch many lives, leaving an indelible mark on the world around her. This journey, rich in dedication and love, took her from the southern charm of Elloree to the bustling streets of New York for her high school years, laying the foundation for a life of diverse experiences and profound impact.

Lillie's adventurous spirit led her to Los Angeles, where she began her career with the United States Postal Service but decided to settle in St. Louis where her career would span over three decades. Moving there, she not only continued her service but was recognized for her leadership, chosen for a supervisory role at the Southwest Post Office on South Hampton. Her commitment and dedication to her role exemplified her unwavering work ethic and her belief in the power of community service.

Beyond her professional achievements, Lillie's heart belonged to her family. She married Julius A. Fuse, Jr. She was a pillar of strength and love for her three children, Elaine, Joan, and Warner, and her nine cherished grandchildren. Lillie's home was one of warmth and laughter, a place where family values were nurtured, and memories were made. Her role as a grandmother was her crowning glory, taking an active part in her grandchildren's upbringing, especially after her retirement. She became not

just a grandmother but a mentor, a friend, and the best storyteller.

Lillie's faith played a central role in her life. As a member of the Samaritan United Methodist Church, she lived her faith through action, embodying the church's teachings in her daily life and in her interactions with others. Her hobbies—painting, solving crossword puzzles, and tending to her garden—were reflections of her creative spirit and love for the simple joys of life.

An avid sports fan, Lillie's enthusiasm for Cardinal Baseball, Rams football, and Billikens Basketball was infectious. She was not just a spectator but a true supporter, holding season tickets and celebrating every victory as if it were her own. Through her love of sports, Lillie found community, camaraderie, and the thrill of the game.

On the early morning of March 25th, 2024 Lillie's journey came to a peaceful close, leaving behind a legacy of love, dedication, and service. Her life was a testament to the impact one individual can have, teaching us the value of hard work, the importance of family, and the joy of living a life filled with passion. As we remember Lillie, we celebrate a life well-lived, a journey well-traveled, and a legacy that will continue to inspire for generations to come.

She is survived by her Husband Julius

Three Children Elaine, Joan, and Warner

Nine Grandchildren
