Linda Grohman, beloved mother, sister, and friend, passed away on October 23, 2024. She was a woman of great faith, love, and kindness, who touched the lives of many. “ I met Linda in the summer of 1968 at a Tent Revival in St. Johnsbury VT. She later came to St. Louis and met my childhood friend Roger Grohman. Rogers family and mine moved from Kennett MO to St. Louis and we lived across the Alley from his parents and grandparents. Linda was always a Joy to be around. Always laughing and joking. She will be missed by my family, but I know she is now with the Love of Her Life. once again with Roger. Thanks for the memories, Linda.

“ I remember first meeting Linda when I first started at PAI. Every time I would come into the office we would end up in long conversation before and after I would have to leave. This was even the same while she worked at Living with Purpose as well. I'll miss being able to chat with her. Such a kind heart and soul, always smiling and embracing. We'll miss and love you forever.

With Love, Andrew an Erik.
