“ I am still in disbelief. A part of my heart is gone from earth. I know that you and the rest of the family are watching over us. You will forever be TT's Baby. You were such an amazing young man and I always knew you were destined for greatness. My heart is heavy now but I know you have no more worries, no pain and you have been reunited with your Granny. Let the party begin! I will forever miss your phone calls and hearing your voice, but I know I can still talk to you . I love and miss you Baby. Sweet Peace
Love you always,
TT Nannette Burrow-Wright
