“ *I am so sorry for your loss. I first met Louis when he was referred to me to mow my lawn and do other yard work. He was the best! And we always had small conversations when he took a break and finished his work. They may have been short conversations but they were always filled with a lot of family and wisdom. I even remember talking about deep frying turkeys and he surprised me with one for Thanksgiving! His son and extended family now mow my lawn and I consider it an honor to have that connection and legacy continue.*

“ Carol, so sorry to read about Louis. We always loved the time we spent with all of you. We really appreciated everything you did for us. The dinners we had with all of you were the best. That one fish fry that Louis did was so great. Love to all of you.
