“ To the family,
I am so sorry for your loss, please accept my deepest sympathy. It is never easy to lose a loved one. Please remember during these difficult times, that you can always turn to God and his word The Bible. For God promises to be near to the "brokenhearted" and that he cares for you. (Psm 34:18 & 1Pet 5:7) For sometime soon in the near future God will bring death to an end and we will never have to experience the pangs of death ever again. (Rev 21:4) I pray these words bring you comfort.

“ My heart and prayers are with the Pollard family. Mr. Pollard gave me a chance to teach at his school and I will be forever grateful for the opportunity. Cherie' is my forever best friend and we both share the love and devotion to our fathers. Mrs. Pollard has always been one of the most beautiful, talented and classy ladies I know. While this is a time of grief for the family, you will forever hold the precious memories you shared with the great husband and father he was.

“ One of my fond memories of Luther was sitting around the table, talking, drinking Pina Colada's and listening to Aretha Franklin and/or The Ojay's with him and Lavern. Still having a challenge in processing his passing. However, I believe the soul knows when it's time to leave and all is well with him. Sending light and prayers of love and comfort.

“ Time wait's for no one, I just spoke to Luther two weeks ago regarding my aunt Jessie. My aunt Jessie is in a nursing home, she knew the Pollards visit often, however, she hadn't seen them in awhile so I called and spoke to Luther and to find out he passed is heartfelt, My aunt and I give our condolences to the family, with prayer you will get through the pain. God bless!

“ I’m was so sad to hear of your loss Cherie and Mrs. Pollard. After the news was shared with me, my heart became full as I remembered the many summers your dad, mom, you, and I spent on the boat. As you go through these tough days ahead, just think back to the countless memories that will surely bring smiles to your faces.
