“ Lynn is a very special lady to me. She has always maintained the friendship even when I was upset..depressed..sick..she would always be the single friend who called and told me each time we talked that she loved me and was always there with a sweet heart warming hug. She was not to the type of person to whine or complain..she made the best of things and moved on. She was a loving and caring friend and I will miss her the rest of my days and always regret that I didn't make more effort to be the kind of friend she was. She set the standard of being a friend for me and I will do my best to achieve the example she set. Love you sweet my sweet friend, Lynn.
