He was such a good dude, your son. I'll always remember how proud he was of his little brother. He used to ask me to roll up my sleeve to see how strong his brother was before the little guy would punch me, lol. He loved that kid so much. I don't think he was ever the same after the accident.

I want you to know how sorry I am to hear of his passing. You did a great job raising him. Most people who are born with the gifts Marcus had end up being egotistical (or bullies) in my experience. Not him. He treated everyone with respect and kindness. I'm glad I got to grow up with him. Thank you for that.

Well, Happy New Year “ZEB”2024 I don't know what to say except for “you are missed” it's almost to that one year since you left us all., I'm holding up as best I can be, my Friend. Just getting over Covid-19 but still I'm weak. Knowing that I'll not run into you for your birthday or even just in community is very stressful. Look out for Mario he's been gone almost 6 yrs. We all just missing and longing to see your face or even hear your voice but you know I play it over over again in my head. I wish you could be here for your love ones but it's okay Gentle Giant get your rest. Love you my friend, peace be with you always 🙏🙏🙏🙏🙏❤️

“ Rest in Heaven, I can't grasp this just of yet. You will never be Forgotten by Me. I know you are with your brother now and that you where welcomed by Joe and others who you loved that are there as well as you crossed over into God's kingdom of heaven you were perfect in every way and you loved us All Unconditionally and yes we all have flaws but when it comes to the people you loved the flaws never existed cause you had Honors when it came to family Especially your mom: pops and your brothers and of course your Princess/wife. Zeb you will be missed and truly never Ever Forgotten 💖 Visit Us sometime in our dreams or even by our bedside, we will be waiting cause we all miss the special times we shared with you. This will never End Until we meet Again. Monthane 🙏🙏🙏❤️

I'm still still trying to process that you're not here. I wish I didn't know that you're gone home but that would make me selfish 😞 You know Zeb, this was very unexpected but I'm going to keep the good times we had close to my heart and laugh when I'm remembering all the good times we shared. You were a gentle giant and didn't take no stuff off anyone. I'm just reminiscing about all the good bad and yea some ugly to but all was forgiving and we talked about all of it and it made us even closer so close we departed as the best of friends could be. Damn I'm ANGRY 😞 but God will help us all through, I Pray 🙏🙏 I'm just sitting here wishing, thinking 😞 wondering, about you and probably will for awhile. Just know that you will always be loved and never ever forgotten my gentle giant , love always Me💖💖💖
