

## Margaret Ann Butler

March 10, 1944 - July 8, 2024

Margaret Ann Stevens Butler, 80, won the good fight and inherited her eternal crown on July 8th, 2024. She is now spending eternity with her Creator, the Savior of the world, and true lover of her soul. Anything she may have had to go through over the years that tried her emotionally, physically, and spiritually lost any sting the moment she stepped into the full glory of His presence. Margaret was a loving and devoted wife, mother, grandmother (Nana), pastor's wife, teacher, sister, mentor, and friend.

Margaret was born in Pine Bluff, Arkansas on March 10, 1944. She was the daughter of the late Lindell and Ola Stevens. Margaret lived a full and dedicated life giving all she had to offer to others. She worked alongside her husband pastoring a church in Arkansas and establishing a church in Pennsylvania with the United Pentecostal Church International. Their dream of a ministry that spread the love of Christ to all was realized through bus ministry, teaching bible studies, and around the world through foreign missions. She planted seeds in many hearts with her gifted teaching and watered even more. Only time and eternity will reveal all the lives she touched.

Margaret will be missed immensely by her husband of 61 years, Donald Butler; children, Donald Eugene Butler (Wendy), and Marlene Favorite. She was a loving Nana to her five grandchildren: Brittany Venegas (Tyler), Nathaniel Butler, Benjamin Favorite (Gretchen), Hannah Favorite and Megan Favorite.

Also, she is survived by her brother, Leon (Barbara) Stevens, and sister, Brenda Morse. Besides her parents, Margaret was preceded in death by her sister, Jane McNeely.

Relatives and friends are invited to a time together to celebrate her life and shared love for her on July 11th, 2024, at The Sanctuary UPC, 965 Anglum Rd. Hazelwood, MO 63042.

“ sister Margaret touched my life, almost 47 years ago. My husband was in the Marine Corps. We were stationed in Rural Ridge, Pennsylvania. I wanted to go to church, and I found them in the phonebook. God was leading my life even then. I didn't know a whole lot about holiness, but they welcomed me in and would come and get me every Sunday for church. it was like a 40 minute ride one way, and they did not hesitate to do it. Their church was very small at the time. But the few people that were there loved the Lord. And I can still remember those services. They baptized me in the name of Jesus. And brother Butler, as he was called then, told me that I needed to receive the gift of the Holy Ghost. I remember him saying, in his country twang 🗣️, "it's for ya". I'm so glad to hear that he's still living and I hope that I can find him and perhaps he would even remember me. I'm very sad that sister Margaret is gone on. But she is with Jesus and that's what we all hope for. May she rest in his eternal arms.
