“ *Our Condolences and Prayers go out to the entire family in the loss of my dear sister, Marie Allen. My two oldest sisters Bernice and Marie assisted my mother Maxine Chatman, with raising me and some of our other younger siblings. Praise God that me and my wife Dornell had the opportunity to personally visit with her on the day after Thanksgiving of 2021 in Atlanta. Marie lived a long God Filled life, and she will surely be missed, but God makes no mistakes and knew she was getting tired, so he called her home to be with him. I always loved her and looked up to her during all of my entire life, including moving in with her and her family at the young age of 18 after graduation from High School. She was definitely a Blessing to me, and I am going to miss her dearly. Sleep in Peace my Sister, your Brother, Hewitt Chatman and Family, Plant City, FL.*
