“ I wish I would've gotten my chance to meet you brother. It's so heart breaking knowing that you never knew of me and we'll never get to hug. I am your big sister, Jasmine Thomas (Rickey McCoo) daughter. Rest in heaven Mario.

“ Will always remember that smile. Mario was a former student of mine at Brittany Woods. Just glad I got to hug him and show him love at the picnic before he was taken home. Will cherish the memory. Thoughts and Prayers for strength and comfort for the family.

Having Mario as a student at Brittany Woods Middle School was an experience that I will treasure forever. He was a very inquisitive young man who was proud of his family, especially his brother who was in the service at the time. He wanted to grow up to be like him. He had endless potential and a very pleasant personality. He will be missed. To the family, I will lift you up in prayer for I know that God will always comfort you. Place your trust in Him and he will see you through. Submitted with love and affection.
