

Mark Scott Harris Jr.

October 14, 1989 - April 19, 2015

Mark Scott Harris, Jr. Age 25 of St. Louis, MO.

Mark Scott Harris, Jr. (Marky) was born to Sheila and Mark Harris, Sr. on October 14, 1989. He has two siblings: Bryant and Curleta. His mother preceded him in death in November of 1989.

He was a product of the Pattonville School District. He graduated from Pattonville High School in 2008. There he earned two varsity letters as a wide receiver in football and was named First Team All-Conference as a senior. Mark holds the school record for most receiving yards in a season with 681. He also played basketball. He received a partial football scholarship to Quincy University in Quincy, Illinois, where he majored in Sports Communications. While a member of the Hawks he was second on the team in receptions. He played in 10 games, finishing with 24 receptions for 254 yards.

Mark was a Christian. As a youth he attended Washington Metropolitan AME Zion Church. He later became a member of Grace Church, where he confessed his life to Christ.

Mark was an outstanding young man who was full of life. He touched the hearts of all he knew with a personality and smile that could light up the darkest room. He definitely was the life of the party. Mark was the kind of

young man who would do anything he could for anyone he loved at any time. If you needed someone, Mark would be there. He enjoyed sports and spending time with family and friends.

He departed this life on April 19, 2015. He leaves his father, his sister, and his brother. In addition, he has a host of aunts, uncles, and cousins from two big families: the Jones and the Harris'. And then there are his friends...tons of friends who celebrate his life as well.

Mark, you are unforgettable!

Poor baby, I'm so sorry that this happen to you. My heart goes out to your parents...especially your mother who carried you for nine months and went through the pains of labor to bring you into this world only to have your promissing life cut short. It's not right! I know you,(Mom) have heard more than once during this tragedy that...No child is suppose to go before you.This is totally a parents worst nightmare! I feel your pain. This took me back to New Years night 2001 when my son and only child...then 20... was killed in Granite City Il by a hit and run driver. Trust me when I say I know your pain. Thank God there were cameras that caught the vehicle on tape. I still don't know who did this to mine. My heart hurts for you and I will be praying that God gives you the strength tomorrow to get through this. Only he can bring you through this terrible time. SLeep in Peace Marck Harris Jr.
