“ *This lady knew it all. What ever you needed she had. You could walk into her shop and ask her for what ever you needed she would go right to where it was and get it for you. We all just loved her and her grest smile. God Nless You.*

“ *We will miss Marty deeply. She was a loving and caring person to everyone. A devoted wife, mom, grandmom, and a big part of the family. She was full of life and laughter when we were all together. And smart as a whip about all things hardware. She loved the hardware store and the people that came in to buy bait or other supplies. And boy could she replace a screen as fast as a machine. A huge hole in the hearts of many as we navigate this sad event. She was far too young. Love you Marty. We will be here for Rick and your kids.*
