

## Martha Mae Watson

July 8, 1944 - March 2, 2021

Martha M. Watson (nee Hinkamp), 76, passed away on March 2, 2021 in St. Louis, MO.

Martha was preceded in death by her husband of 38 years, Forrest Watson; parents Joseph and Virginia Hinkamp.

She is survived by a daughter and son, Vickie Strubberg (Jason); Andrew Watson (Erin); 4 grandchildren, Damian Strubberg (Ashley), Angelynn Strubberg, Hadley Watson, Caleb Watson and one great-grandson, Jaxon Strubberg all of St. Louis, MO, along with many cousins and other extended family throughout the country.

Martha was fiercely dedicated to her family and spent all of her free time attending various activities for her grandchildren; she volunteered for SSM De Paul Wellness Center for 13 years.

Not only will she be dearly missed by her family, so will her many friends who have become family. Her ability to see the good in everything, despite finding any way possible to get into mischief will fondly be remembered by all and her hope was that everyone who knew her take on a bit of that outlook on life in her memory.

“ Marty was a good Brentwood High School friend. We had many adventures together and enjoyed riding around in her unusual car playing harmless tricks on other friends. She had a joyful personality and a great sense of humor. I feel fortunate to have known her. My condolences to her family; she will be missed.

“ Martha was a volunteer at DePaul's Cardiopulmonary Rehab for many years. She was so wonderful to work with. She was so much fun and loved playing gags on her coworkers. She brightened up the place with her easy laugh and wit. Martha was also one of the best listeners I have ever met. She always had time to listen and she gave us all great advice. We will all miss her and her jokes so very much. We all loved her dearly.

“ Martha was a neighbor of mine when she lived in Florissant. Our kids were close in age and they grew up together. I could look out either my kitchen or bedroom window and see her driveway and I remember seeing her get in her car with coffee cup in hand, cigarette hanging out of her mouth as she drove kids to school, ran her errands, etc. We lost contact for awhile after she moved but we reconnected a few years ago, met for a 3 hour lunch to catch up, stayed in touch thru fb. I had never realized how funny and mischievous she could be. She loved her family and friends fiercely. I will miss her fb posts. RIP dear friend, you truly enriched my life.
