“ To the Family of Marvell SR.:

I would like to say to the family that you were a kind and loving man. Marvell I will miss the conversations and your laugh. It was a hard to see you at your weakest point. You were a person that was always on the go and doing for everyone. Even when you weren't well yourself, you were concerned about Caren. God bless you! You were a trooper and you fought to the very end. I say thank you for being a friend and for taking care of my babies the way you did. Those children loved you so much. Caren I say to you job well done my sister and hold on to all of those special times and fond memories. Farewell my friend.

“ Marvell it was a hard 2 years for you with way to much pain and suffering. I always wished I could do more for you. I prayed everyday that things would change and you would walk again but I guess god needed you more to help him.

I know your going to be a great guardian angel for all your grandchildren. It's almost not real in my eyes yet that your gone. I'm sad to not hear your soft voice. We all miss you so very much. We will meet again dance and drink unlimited amounts of what ever we want. Love you my only dad that treated me like his daughter and nothing less ❤️

“ *If I should ever leave you
To go along the silent way, grieve not,
Nor speak of me with tears, but laugh and talk
Of me as if I were beside you there.
(I'd come - I'd come, could I but find a way!
But would not tears and grief be barriers?)
And when you hear a song or see a bird
I loved, please do not let the thought of me
Be sad .. For I am loving you just as I always have .
You were so good to me!
There are so many things I wanted still
To do - so many things to say to you .
Remember that I did not fear . it was
Just leaving you that was so hard to face .
We cannot see beyond . But this I know:
I loved you so - `twas heaven here with you!*
