“ *Mary and I were 2nd cousins but more than that we were good friends. For many years we met for lunch in Clayton because she lived north and I lived south. Thank God for many happy memories. She is now in my prayers, Mary Ellen Cadice*

We just learned of Mary's passing and are so saddened. She died on my birthday which makes me extra sad. We always remembered each other's special day as hers was April 8th. She was a special cousin. Liz Stangler Seise

“ *Aunt Mary (and Uncle Bob) were wonderful people. They welcomed me into the Dierkes family as if I was truly one of their own. Always a great time seeing them at a soccer game...endless hours cheering their granddaughters (and great nieces) on no matter the weather or conditions. Great great family!*

“ I knew them both as Mr & Mrs. C a very special couple! Even though I didn't see her a lot my sister Alice said she was always smiling and happy to see you. May she rest in peace with Mr. C by her side.
