“ There are too many memories and not enough room to share them. There’s isn’t one person who met Mary that didn’t walk away from her with a smile. She was awesome, funny, and always seemed up for an adventure. Mary was beautiful inside and out and I never knew her to turn away from anybody or anything who needed her or help in general. I know she was inseparable from her sister Kathy and her daughter Danielle. They’ve brought me and my family years of laughter as our stepsisters.
