“*Maryssa was in my 1st-hour English class at Oak Ridge last year. I do appreciate and enjoyed her wonderful personality, her insights into various topics, that gorgeous smile, and of course, her perfect eyebrows . . . all of the things that made Maryssa the unique and special young lady that I was privileged to know. Her passing is a tragic loss, and my condolences and prayers for her family and friends.*

“*I am so sorry to hear of Maryssa passing. I am a teacher at Oak Ridge High School where she attended a short while. I only had her in advisory class but grew to love her quickly. She was a very bright, sweet girl that always had a smile on her face and was so mannerly. I am praying for everyone who is hurting and would like you to know that you are in my thoughts and prayers during this difficult time. I am grateful to have got to know her. God Bless*

“ Dear Darryl and family, Anthony and I used to live around the corner from you guys and Maryssa and Chloe we're at our house all the time. I always thought to myself, "Maryssa has the most beautiful smile and she is so polite and loving". I am SO devastated for your family's loss. I know these are just words among a ton of poeple that feel the exact same way. Just know that me and so many others are praying and praying for you and your whole family. I just wanted to tell you that she was a bright star every time I saw her and she made people love her without even trying. I'm so sorry for your loss and grief.
Ever Sincerely, Christie Guion

“ To the parents of this child all I can say is you shouldn't have to do this, but I know this doesn't mean a lot and I am a stranger. Prayers of love, peace and strength for all of you. For the brothers and sisters that I know, I am here for you. Most of you have my number, I believe and if you need me, I am but a phone or pm or text away. My love to you all and heartfelt sorrow for your loss.
