“ We've been friends since Kindergarten, she lived on Lucille and I lived on Garesche, we were together almost everyday, then as teenagers went to high school together and continued to stay close as adults. I Love you Matsumi, my forever friend.

I am speechless to hear that my childhood friend has gone home to be with our Lord is sad and heart warming at the same time. Matsumi was my first friend and we lived one house apart from each other on Lucille Avenue.

Time waits for no one. I had been thinking about her a few months ago but never reached out. My heart is truly saddened but filled with the belief that she was a Believer.

My family and hers grew up together during those times and most days were lessons to be learned.

My prayers go out to the Merritt and Leslie family.
