“ Matt, you were a good dude. I'm going to miss you man. I remember how loving, and caring you and your family where towards me in my darkest times in life. We cut grass with my lawn cutting company together, and stayed busy to stay out of trouble. We made memories that will last a lifetime, and I will forever cherish them. R.I.P. Matthew Payne.

“ Matt always found a way to make me laugh, smile or even a little chuckle inside- even when I probably shouldn't have when we were all pulling our hair out trying to keep him moving forward! He was a charmer and a talker with a great smile! He had a huge heart that he guarded closely, so no surprise he found his true love in saving 4 legged souls! Much easier to deal with than people!! My prayers to all of you!
